"DUE" DATES

These are SUGGESTED dates to keep everyone on track. You don't technically turn anything in and you won't be penalized for being late, but if you do your best to meet the deadlines, you'll be more likely to complete the course on time.

When you have completed a module, go to the **Links to Modules** forum inside your cohort area, find the topic for that module, and reply to that topic with a link to your post for that module. You can describe the project if you want to, or just leave a link. This is a great way to let other group members see your finished product. If you prefer not to share your link, that's fine. If you would like to work ahead, that's fine, too.
